

CORD

by panconnect•

CORD offers a smart solution for places where cables are needed but sockets are not. This panel replaces cable grommet and brings effective cable management to the meeting rooms, huddle rooms and workplaces. Installation is easy and quick, it fits to 100 mm holes.

CORD is produced in two variants - **CORD STANDARD** and **CORD POWER**. **CORD POWER** contains active **USB charging** (USB-A and 60 W USB-C) and two **pull - out cables**. **CORD STANDARD** is ready for placing up to 4 cables. **PULL-OUT** sys-

tem is a preferred option for cable manipulation that works on principle of gravity weighted cables in a textile bag and it allows the cable to be pulled up to 96 cm (the total length of the cable is 200 cm).

SAFETY & RECYCLATION

PANCONNECT declares that panel **CORD** complies with Low voltage directive 2014/35/EC and EMC directive 2014/30/EU. Testing has been made according to EN 50491-5-1:2010 and EN 50491-5-2:2010 standards.

All products from **PANCONNECT** are intended for **upgrade** or **recyclation** in accordance with the company's policy.

Before the disposal of this panel comes up, please verify if this product can or cannot be upgraded or overhauled. If it's not possible, kindly arrange the disposal in accordance with valid EU directives. This product belongs to WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT (WEEE) category so the disposal is possible only in accordance with this WEEE Directive 2012/19/EU. It cannot be part of the municipal waste.
