

MINI

by panconnect•

MINI belongs to **PANCONNECT's** modular range. This panel is suitable for places where drilling is a not preferred option. Installation of **MINI** is easy, just clip the panel from the side of the table and tighten the screws. The holder also safely covers all cabling leading from the panel under the desk. **MINI** is made out of stainless steel and is very powerful in terms of connectivity - **USB-A** together **with strong 60W USB-C**. This panel is produced in 3 colours and customizables sides are possible to be implemented.

PANCONNECT currently offers **3 variants** of panel **MINI** - **MINI BASIC**, **MINI M** AND **MINI XL**. **MINI BASIC** contains only sockets and connector modules for cables without USB charging. Panels **MINI M** and **MINI XL** are fully integrated with **USB-A** and **USB-C** charging and sockets.

SAFETY & RECYCLATION

PANCONNECT declares that panel MINI complies with Low voltage directive 2014/35/EC and EMC directive 2014/30/EU. Testing has been made according to EN 50491-5-1:2010 and EN 50491-5-2:2010 standards.

All products from PANCONNECT are intended for **upgrade** or **recycling** in accordance with the company's policy.

Before the disposal of this panel comes up, please verify if this product can or cannot be upgraded or overhauled. If it's not possible, kindly arrange the disposal in accordance with valid EU directives. This product belongs to WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT (WEEE) category so the disposal is possible only in accordance with this WEEE Directive 2012/19/EU. It cannot be part of the municipal waste.
