

SPOOK

by panconnect•

SPOOK is a smart, luxurious and minimalistic panel. It has been designed for high-end customers who are expecting design and functionality. This panel is suitable for offices, homes, hotel rooms, meeting rooms, chill out zones or restaurants and bars. You can choose for 2 shapes (square and round) and it is available in 15 colour variants. From the perspective of connectivity, 7 variants of sockets, **USB-A** and **USB-C charging (60 W)** and wireless Qi charging are main features of **SPOOK**.

SPOOK can be produced in 3 different sizes depending on the customer's needs. **SPOOK XS** contains USB-A and USB-C charging and wireless **Qi charging**. **SPOOK S** has the possibility to choose from the socket or modules plus USB and **Qi charging**. **SPOOK M** can contain 2 sockets, combination of socket and module or two modules plus USB slots and **Qi charging**.

SAFETY & RECYCLATION

PANCONNECT declares that panel SPOOK complies with Low voltage directive 2014/35/EC and EMC directive 2014/30/EU. Testing has been made according to EN 50491-5-1:2010 and EN 50491-5-2:2010 standards.

All products from PANCONNECT are intended for **upgrade** or **recyclation** in accordance with the company's policy.

Before the disposal of this panel comes up, please verify if this product can or cannot be upgraded or overhauled. If it's not possible, kindly arrange the disposal in accordance with valid EU directives. This product belongs to WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT (WEEE) category so the disposal is possible only in accordance with this WEEE Directive 2012/19/EU. It cannot be part of the municipal waste.
