

EDGE

by panconnect•

EDGE is an ergonomic panel that is made of steel and the key advantage is easy installation on the edge of the desk with no drilling. There are 3 different sizes of the panel available in black or white colour. Socket is always part of every variant of the panel.

EDGE XS is the smallest variant that is produced in two variants - with 2 sockets or with 1 socket and USB-C/A charging.

EDGE S always has at least 1 socket and then connector

field, USB-C/A charging or other sockets.

EDGE M contains a minimum of 2 sockets and other fields can be filled by a connector field, USB-C/A charging or other sockets. For purposes of the training rooms, we've produced variant with 2 sockets and 2 USB-C/A charging - in this case, one panel covers connectivity for 2 users.

| | DIMENSIONS | WEIGHT | MAX. AMOUNT OF SOCKETS | CONNECTOR FIELD | USB-C+USB-A CHARGING |
|--|------------------|--------|------------------------|-----------------|----------------------|
|  <div data-bbox="712 863 779 895" style="border: 1px solid black; padding: 2px; display: inline-block;">XS</div> | 130 × 90 × 72 mm | 980 g | 2 | až 1 | ✓ |
|  <div data-bbox="712 1150 779 1182" style="border: 1px solid black; padding: 2px; display: inline-block;">S</div> | 180 × 90 × 72 mm | 1100 g | 3 | až 2 | ✓ |
|  <div data-bbox="712 1437 779 1469" style="border: 1px solid black; padding: 2px; display: inline-block;">M</div> | 230 × 90 × 72 mm | 1220 g | 3 | až 2 | ✓ |

SAFETY & RECYCLATION

PANCONNECT declares that panel EDGE complies with Low voltage directive 2014/35/EC and EMC directive 2014/30/EU. Testing has been made according to EN 50491-5-1:2010 and EN 50491-5-2:2010 standards.

All products from PANCONNECT are intended for upgrade or recycling in accordance with the company's policy.

Before the disposal of this panel comes up, please verify if this product can or cannot be upgraded or overhauled. If it's not possible, kindly arrange the disposal in accordance with valid EU directives. This product belongs to WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT (WEEE) category so the disposal is possible only in accordance with this WEEE Directive 2012/19/EU. It cannot be part of the municipal waste. For more information please check www.asekol.cz | info@asekol.cz

INSTALLATION MANUAL

Easy installation

2 MOUNT TYPES BASED ON THE DESK
MOUNT A
10–25 mm
MOUNT B
25–45 mm

Tools: Hex key (if fixed variant selected)

- 01** Place the panel on the edge of the desk
- 02** Fasten the panel to the desk using a selected screw.
- 03** Tighten the screws (if you've chosen fixed variant, then use hex key) and plug the panel in.
